

CAREER CLARITY GUIDE

IFECHUKWU ADIGWE

Dear Purpose-Driven Woman,

Thank you for downloading the Career Clarity Guide. I'm genuinely excited that you've made the conscious decision to take your career to the next level. This step alone shows your commitment to growth, confidence, and a more fulfilling career path.

INTRODUCTION

Do you feel like you've outgrown your current career stage? Does it seem like you've been stuck or in a holding pattern, while others seem to be moving forward?

If this resonates with you, don't feel discouraged—you are not alone. I've been in your shoes, and I know exactly how it feels to be stuck in your career, especially when you see your peers advancing while you wonder if you have what it takes or if you need more certifications. There were times when I knew I had the ability to do more, but I lacked the knowledge on how to make that significant shift in my career.

Many people begin their careers thinking the path to success will be fast and easy. Others start with a less-than-ideal job, hoping to transition to something better. However, the reality is that most people never make that change or advance as expected, leaving them feeling stuck, inadequate, or left behind. Some even settle for what's available instead of pursuing what they truly desire.

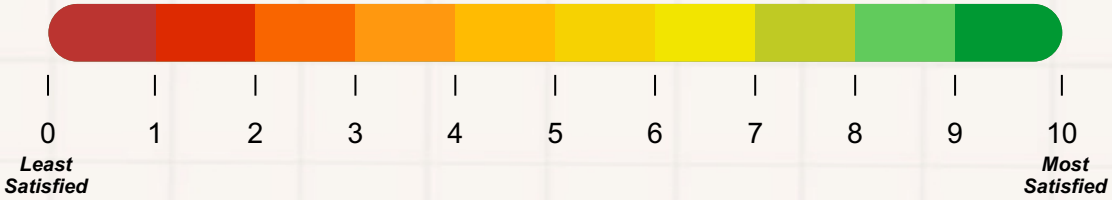

Many mid-level career women face these struggles, and that's why the Career Clarity Guide was created to help you reconnect with your authentic self, rebuild your confidence, and redefine what career success means to you—so you can live life on your own terms.

In this guide, you'll go on a journey of self-reflection to gain clarity on what truly matters to you in building the career of your dreams.

NOW, I INVITE YOU TO TAKE A DEEP BREATH, RELAX, AND LET'S DO A QUICK CAREER CHECK-IN.

CAREER GUIDE ASSESSMENT:
ASSESSING WHERE YOU ARE NOW

1. On a scale of 0–10, how satisfied are you with your current job?

2. Would you keep your current job if you had an alternative?

YES ☐ **NO** ☐ **(Please state why or why not)**

3. Would you say that your current job aligns with your personal goals and values?

YES ☐ **NO** ☐ **(Please state why or why not)**

CAREER GUIDE ASSESSMENT:
LOOKING AHEAD

1. If you were given a blank check,
What would your next career choice be?

2. What does your ideal career look like?
What salary would you be earning?

3. Do you believe your current skills, experience, and expertise can take you there?

4a. Does your current job add value to your life, or does it deplete you?

4b. If you answered "yes" to the last question, think of one action you can commit to today to move closer to your ideal career.

Congratulations on completing the guide!

I trust you found this guide valuable, and I’m confident you now have the clarity to take the next steps toward advancing your career. The actions you take today will propel you to your next leadership role.

Keep soaring. I'm rooting for you!

Warm Regards,
